

Fluorescent Light Bulb Removal

Fluorescent light bulbs will now be collected upon request by Greentec. They will collect the following items:

Fluorescent Tubes per foot
Plastic Coated Fluorescent Tubes - per foot
U or O Shaped Tubes
Mercury Vapour, Metal Halide, HID, HIM or High-Pressure Sodium
Incandescent, Halogen and Compact Fluorescent, MR-16
Crushed Glass, Neon Tubes
All CCFL From LCD Screens / Scanner / Photocopier / Projector Bulbs
High Density Bay Fixture with Bulb
High Density Bay Fixture
Non - PCB Electronic Ballasts
Fixtures - 2x4'
Fixtures - 1x4'
LED Bulbs
Mercury UV Lamps (containing liquid mercury)
UV Lamps

Please drop off the used bulbs in one of the following three pickup locations: Tower loading dock, the receiving bay of Earp residences or the receiving bay of Lowenberger residence. These pick up locations are marked on the map which is available below.

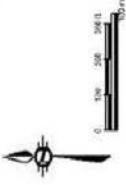

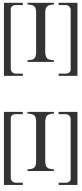

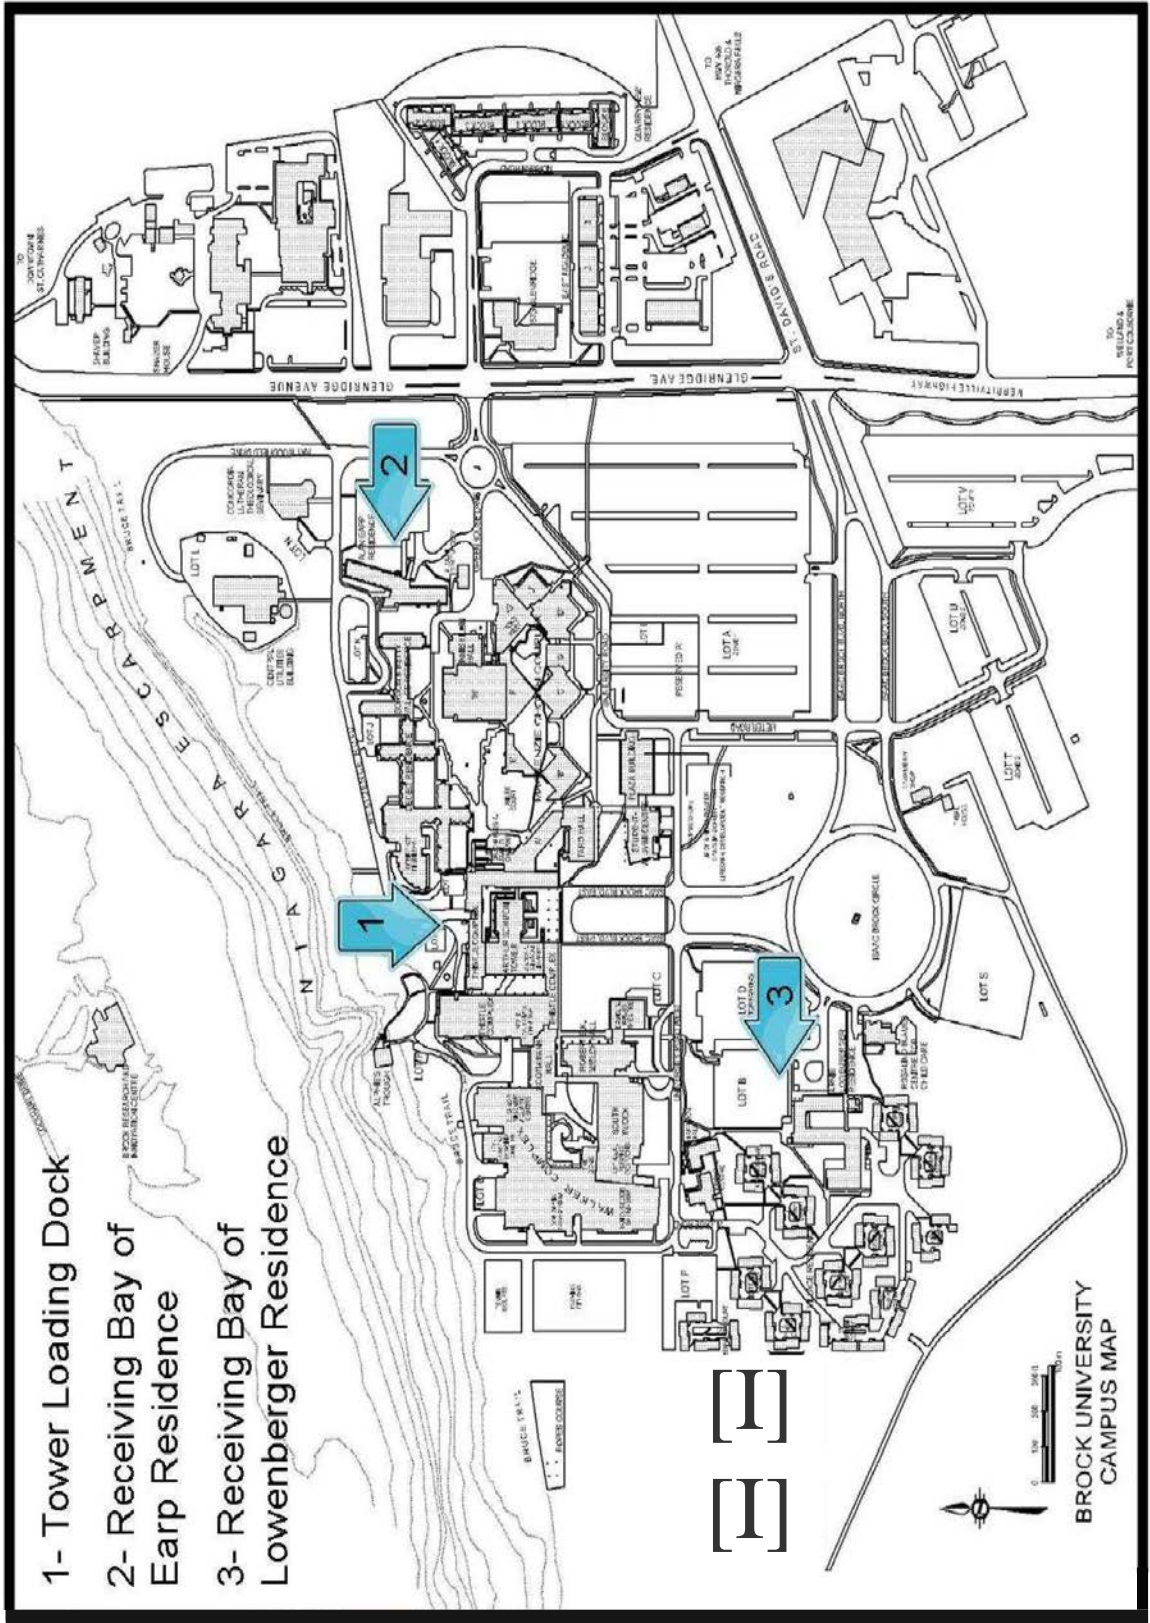

All bulbs should be stored in boxes

Once enough bulbs have accumulated, please contact Kayla Wilcox (kwilcox@brocku.ca) and she will arrange to have them collected
