An updated statement from the Brock University Muslim Students' Association:

“The Muslim community of Brock stand in solidarity with New Zealand and those around the world who are living under oppression. We are extremely shocked and disturbed by the tragic events that took place on Friday. Our thoughts and prayers are with those who have been affected by the terrible attacks.

“In light of these events, we emphasize the importance of the victims. We should not give the perpetrators as much attention as we should give to the victims. We urge everyone to support the victims in any feasible way. An attack against those who practice their fundamental rights is akin to attacking all the rights that we are entitled to.”
