

Recital II (4P02) Audition Form

For students who are currently in 4P01 Recital I

Consideration requirements:

- Minimum mark of 80% on your 4P01 recital
- Approval of your lesson instructor
- Approval of the Department

**Please note: the mark of 80% is one of three components of the approval process. A grade of 80% on your 4P01 recital does not automatically grant you permission for 4P02.*

On the back of this form, please complete a proposed recital program, with approximate timings. Time range is 60-75 minutes of repertoire.

Section repeats are not permitted, so please adjust your timings accordingly.

Repertoire must be new, meaning you cannot recycle repertoire from previous years.

Please complete *all signatures* and return to the Performance Coordinator no later than one week before your 4P01 recital. Late forms will not be accepted.
