

# DON'T PUT THE BAD IN BADGER

This St. Patrick's Day, be aware of your own safety and the well-being of your community. We encourage open communication between property owners, long-term residents, and renters on concerns related to gatherings.

## Here are some common infractions to be aware of:

- Creating excessive noise between 11pm-7am
- Urinating, spitting or vomiting in public
- Trespassing
- Obstructing an officer/failing to identify
- Littering
- Liquor offenses/selling alcohol
- Parking violations:
  - No parking on front lawns or landscaped areas
  - Do not park near fire hydrants
  - Obey all posted parking restrictions and signs
