

Concurrent Bachelor of Nursing/Master of Nursing Admission Application - Prerequisites and Statement of Interest

PREREQUISITES

Please complete the information below indicating how you have met each prerequisite requirement.

Note: Each school where a prerequisite course has been completed or is "in progress" must be listed in the Education section of the online application. If you have omitted a school, please contact the Faculty of Graduate Studies (graduatestudies@brocku.ca) to get the additional school added to your application.

- If you have taken a full credit course to meet two prerequisites, then list that same course for each (e.g. a two term combined Human Anatomy and Human Physiology course).
- If you have taken two half credit courses to fulfill the Introductory Psychology full credit requirement, please list both courses.
- Enter "In Progress" for Grade Achieved if course is not completed.

Note that the admissions committee may request course syllabi to review course content for prerequisite courses.

Applicant Name: _____

Requirement: Introductory Psychology (full credit)

School Name:	
Year and Term Taken:	
Course Code:	
Course Title:	
Grade Achieved:	

Requirement: Introductory Psychology (full credit) – second half credit course, if required
