

Concurrent Bachelor of Nursing/Master of Nursing

Acknowledgement Form

Essential Requirements for Study in Brock's Nursing Program and Requisite Skills and Abilities for Nursing Practice in Ontario

This acknowledgment aims to:

- provide information to prospective applicants to Brock University's Concurrent Bachelor of Nursing/Master of Nursing program so they can make an informed choice about applying to the program; and
- assist prospective applicants in deciding if they need to speak with the program and Student Accessibility Services about whether they will require accommodations.

The Essential Requirements of the Program

In order to prepare students for a career in nursing, the Program includes essential requirements related to cognition, information gathering abilities, critical thinking capabilities, physical/motor abilities, resilience, emotional regulation, ethics, and communication/interpersonal abilities. Further information about these requirements is set out in the [Ontario Universities' Application Centre Essential Requirements for Nursing Programs document](#).

The requisite skills and abilities for nursing practice in Ontario

At the completion of the Program, all student nurses must demonstrate the capacity to meet the College of Nurses of Ontario's entry to practice competencies, which require certain skills and abilities. Further information about these requirements is set out in the [CNO's Requisite Skills and Abilities for Nursing Practice in Ontario document](#).

Accommodating students with disabilities

Brock University is committed to providing students with disabilities reasonable accommodations that will provide them with equal opportunity to meet the program standards and academic requirements. Reasonable accommodations cannot compromise the essential requirements of a program or client/patient safety and well-being.

Acknowledgment

By signing below, I acknowledge that I:

- have read and understand the Essential Requirements of and Requisite Skills and Abilities required for nursing practice in Ontario;
- will contact the Program (bnmn@brocku.ca) and/or Student Accessibility Services (asksas@brocku.ca) if I have any questions about the requirements, skills, and abilities, or anticipate that I may require accommodations.
