

Youth University Spring Camp Instructor

Department: Brock Recreation - Youth University

Pay Rate: \$14.50/hour

Manager: Michelle Leone, mleone@brocku.ca

Contract Dates: Must be available May 1st - June 24th 2020, Training dates TBA

Job Description

Brock's Youth University offers on-campus overnight and day-long class trips where elementary and high school students get a glimpse into post-secondary life while they participate in experiential learning programs in science, technology, outdoor education, and soft skill development. You are encouraged to learn more about what we do at brocku.ca/youth-university.

Job Duties and Responsibilities

Instructors hold the most important job at camp, they are the role models for our campers! Instructors are caregivers, first aiders, mentors, and educators. The YU Camp instructor is responsible for maintaining a physically and emotionally safe environment while creating a meaningful and fun experience for all campers. They will be responsible for school field trip programs for groups of youth aged 8 to 14.

Instructors are responsible for facilitating a high quality, engaging, and educational program in science, technology, outdoor education, and soft skills in overnight and day-long class trip programs:

- create a positive rapport with all visiting campus guests including elementary and high school students, classroom teachers, trip chaperones, and the community
- be fun, approachable, and participate fully in all aspects of the program
- be aware of and make accommodations for camper needs (medical, dietary, behaviour)
- create a positive and fun environment by leading games, songs, and other activities during group arrival/departures, transitions, ceremonies, recreation and social events (e.g. school dances, campfire programs)
- use provided equipment and teaching space responsibly
- attend training sessions and scheduled meetings
- prevent, respond to, and document incidents; report immediately to camp director
- occasional overnight supervision will be required by a few instructors each season
- Be knowledgeable in the facilitation of all program modules in science (e.g. chemistry, biology), technology (e.g. robotics), outdoor education (e.g. hiking, orienteering, challenge course), and soft skill development (e.g. initiatives)

Qualifications

- availability to work approximately 30-40 hours per week, Monday - Friday as early as 8am and as late as 10pm. Please note that available work fluctuates with program registration. Weekly schedules are typically not compatible with spring course requirements.
- completed at least one year of post-secondary study
- experience and/or desire to work with children and youth in an academic camp setting
- excellent people skills and a friendly, responsible, service-oriented attitude
- effective communication and teamwork abilities
- interest in and willingness to learn new technical skills, develop personal soft skills, and concepts in science, technology, and outdoor education
- able to problem solve effectively and adapt to the changes typical of a camp day
- candidates must obtain First Aid/CPR Level C and a vulnerable sector police clearance prior to camp

- successful completion of all Brock University and Youth University training (e.g. AODA, WHMIS, content specific, challenge course, risk management)

Expectations of a Student Staff

We are looking for confident, enthusiastic, and professional ambassadors to Brock University and post-secondary life. We do not require candidates to be experts in all topics, but rather we look for candidates with a contagious passion for learning and having fun with kids. We can train you in the specifics if you have the desire to learn! You will also be required to read, research, watch videos, and/or practice, to learn content independently.

- candidates should be prepared for lots of walking, moderate lifting (e.g. moving chairs, carrying supplies) and working long days in a camp setting
- All Brock employees are required to complete online mandatory training to comply with related safety legislation
- All Brock employees are required to comply with Ontario's Freedom of Information and Protection of Privacy Act (FIPPA). To help meet our legal obligations under FIPPA, employees are required to complete mandatory online training.

Our Commitment

Brock University is actively committed to diversity and the principles of Employment Equity and invites applications from all qualified candidates. Women, Indigenous peoples, members of visible minorities, and people with disabilities are encouraged to apply. We will accommodate the needs of the applicants and the Ontario Human Rights Code and the Accessibility for Ontarians with Disabilities Act (AODA) throughout all stages of the selection process, as outlined in the Employee Accommodation Policy. https://brocku.ca/webfm_send/39939

Please advise Michelle Leone, mleone@brocku.ca, to ensure your accessibility needs are accommodated through this process. Information received relating to accommodation measures will be addressed confidentially.
