3	Discussion Items COVID-19 Update <ul style="list-style-type: none"> Board updated that the face-to-face research application process has changed. Now all research access steps documentation and REB materials are submitted to the PI's ADR who oversees the entire authorization process. Many applications are going straight to the chairs for review (COVID related, new, un-halted) Brock University is in the Red Zone currently, but this is subject to change. If there is a third wave all in-person research will be shut down again. The AVPR is in charge of sending messages out to the researchers with in-person projects to tell them to put their research on hold until further notice if a shutdown occurs. Other Business <ul style="list-style-type: none"> No other business to discuss.
