Other Tuition & Program Related Fees

Course Audit

The charge for auditing a course is 50% of the normal course fee or the withdrawal charge at the time of the change to audit status, whichever is greater. This applies to all students including those in the flat fee system as audit courses are not for credit or able to be applied towards your program/degree.

Seniors

Students 60 years of age or older by the first week of class may opt for a tuition waiver for undergraduate courses listed, excluding Faculty of Education Adult Education courses. Tuition is the only fee waived. The seniors waiver does not cover Graduate courses. Audit fees are included in the waiver coverage. Those senior students opting for the waiver are still responsible for the payment of all ancillary fees, including per credit and sessional fees applicable for the course load taken. Students must contact the Student Finance Office to request a waiver.

Should the student not successfully complete a course or withdraws from a course, they will be required to pay the tuition or withdrawal fees.

Challenge for Credit

The charge for challenging a course for credit in the 2015 academic year is \$498.70 per full credit for Domestic students and \$954.15 per full credit for Visa students.

Co-op Fees

Effective 2010-11 Fall/Winter as approved by the Brock University Senate on March 24, 2010, co-op work terms will now be a new co-op education half credit course which will carry an applicable tuition charge. With the introduction of the new co-op credit and payable tuition, administrative fees currently tied to work terms will be eliminated:

Co-op Administration Fees (*ALL Co-op fees are non-refundable)	
Entry Fee	\$750*
ON90 Pre-Employment Training	\$750*
Work Terms (per term)	Applicable half credit fee

Nursing Practicum Fees 2015

Students in the Nursing program will be assessed a practicum fee in the following manner:

Your DCB Card balance, and a record of payments and charges, can be reviewed through the [Brock Card office](#).
