As an OSAP recipient, you are expected to successfully complete a 60% course load (1.5 credits per term). You are not expected to maintain a certain average to receive OSAP; you are just required to pass a 60% course load. Students with a registered permanent disability are required to pass a 40% course load.

My academic progress has been affected by the following circumstances:

The steps/strategies I will take during my probationary period to improve my academic progress are (i.e. academic advising, BOOST program, attending workshops through the Student Development Centre, strategies discussed with your SWAC caseworker, etc):

My academic and career goals include:

Note: if there were extenuating circumstances that prevented you from maintaining satisfactory academic progress, and you wish to appeal the probation placed on your OSAP file, you must also provide medical or other supporting documentation with this form.

I, _____, understand that if I do not pass the required course load, I will be restricted from receiving OSAP funding for at least one year.
