How often do you meet with your on-site supervisor or other primary supervisor?

How do you feel your placement is progressing?

All is well and my learning/comp objectives are being met

All is well, but the activities that I am undertaking are different than those outlined in my learning contract and/or my learning goals or objectives have changed.

I am experiencing difficulties or delays in conducting my exam.

I have concerns about the safety or ethics at my practicum site.

Please explain your above answer and add any comments or concerns regarding your comp.

Please briefly share your progress so far towards achieving your objectives at your placement and/or notable successes or setbacks you have experienced.
