Course	Course code	Term(s) taken	Grade	Intended completion*
FARS – year 1				
FARS – year 2				
FARS – year 3				
Advanced stats/methods				
Elective 1: add details				
Elective 2: add details				
<mark>Comprehensive examination</mark>				
Thesis				

* *If course/requirement has not been completed yet, please indicate intended completion date.*

C. In the spaces below (all mandatory) provide a comprehensive update of your progress in your PhD Program over the past year. Please limit your responses to a maximum of 600 words (3600 characters) per textbox.

> *This portion of your report will be copied and pasted directly into the on-line report required by the Faculty of Graduate Studies. Because that on-line report does not allow you to upload documents, please provide complete updates to each of the following sections – even if this requires repeating information you have provided in the table above, in your CV updates, and/or in your annual report PPT presentation. Comment on all of the required information, as per the instructions in each section below.*

Course work / program requirements:
Please comment on activities undertaken in your courses, e.g. research, presentations, papers, and projects. Please indicate your progress in completing the course work requirements of your degree. Please also indicate what program requirements have been met and/or how you are preparing yourself to meet the upcoming program requirements e.g. language requirements, candidacy requirements, etc.

Research:
Please summarize your research activity over the last year and outline your progress to date e.g. has your supervisory committee been formed, obtained thesis proposal approval, received ethics approval, commenced data collection or analysis, submitted your First Draft, committee approval to defend, defence date etc. publications are peer reviewed.

Publications:
List all publication activity over the last year indicating the status of each, e.g. published, in press, (with proposed publication date) and/or submitted. Also indicate which publications are peer reviewed. Provide full bibliographic information.

Conferences / lectures / presentations:
List all conferences that you have attended and presented at during past year, as well as the papers presented and include information regarding the conferences/presentation you are planning during the coming year.

Teaching assistantships / teaching:
List all teaching assistantship, instructor, marker/grader positions held during the past year and provide any relevant comments about this component of your graduate experience. Please also include any teaching assistantship/teaching training you have undertaken during the past year.

Academic and research goals / objectives:
Please summarize your short term and long term academic and research goals and objectives.

Career/Professional Development Goals/Training:
Please summarize your career/professional development goals short term and long term and outline what training/workshops/opportunities etc. you have completed/participated in at Brock to assist you in meeting these goals.
