Purpose

There are a variety of activities and services that can be offered to the members of the University community using advertising such flyers, posters and banners. These Procedures for Campus Promotions have been adopted for the purposes described below:

- To provide equal access to the space designated for the promotion of campus news, information, policies, programs, and events, while protecting campus property.
- To provide a means for students, student organizations, campus departments, and other University organizations to provide information and promote activities, events, and services.
- To protect the campus from distracting commercial and promotional materials and activities sponsored or jointly sponsored by non-Brock entities.
- To maintain and improve the appearance of the physical environment of the campus.
- To reduce the amount of paper used for posting and encourage recycling of removed materials.

Scope

These procedures regulate all public areas on campus, except for faculty or department sponsored bulletin boards and within department or unit operated spaces, and apply to all Brock University students, University personnel, as well as to the general public. Students, University personnel, recognized student organizations, or other university organizations or units may have a sign publicly posted on University property only if consistent with the procedures outlined herein and if approved in accordance with these procedures.

Materials solely for distribution or posting within department or unit operated spaces do not require approval as outlined in the Procedure for Approval section below. Brock departments or units on campus may post materials within their space, so long as they adhere to other University policies (see appendix 1) regarding the appropriateness of such materials.

Procedure for Approval

All promotional materials for posting or public distribution must be approved in accordance with the rules and guidelines outline in this document prior to be posted on campus.

Advertisers can bring their materials to the **Student Success Centre (Thistle 129)** located off the **Guernsey Market** between the hours of 8:30 a.m. and 4:30 p.m. Monday - Friday.

Most approvals can be processed immediately; however, approval will take no longer than two (2) business days.

Materials will be approved only if consistent with the rules and regulations outlined in this document and with all applicable University policies or protocol (see appendix 1).

Once approved, the materials will be stamped, if applicable, with the Brock University Campus Promotions Approval stamp and can then be posted or distributed in the approved locations as outlined below. All posted materials will be removed and discarded by a Brock employee once the expiry date has passed.

For posted materials, a maximum of one set of posters and 1 banner per event can be submitted for approval.

General Rules & Regulations

Endorsement

Only students, University personnel and other official University organizations or units may have signs publicly posted on University property or distribute promotional materials on campus. Non-Brock entities must be working in partnership with and have all materials endorsed by an official Brock department, professor or organization. The campus partner must be reasonably associated with the promotional material they are endorsing. Campus Promotions Procedures administrators reserve the right to request an Endorsement Slip before approving a poster. Endorsement slips are available from Student Success Centre in TH 129 or online at brocku.ca/student-life-success/main/campus-promotions

Commercial Solicitation

Commercial solicitations are not permitted on the university campus. Organizations having made contractual arrangements with either a University department, the Brock University Students' Union or the Graduate Students Association are exempt; however, must be in accordance with the Brock University Guidelines for Campus Sales (see appendix 1).

Risk Management

Student Event Risk Management is a priority for Brock University due to the nature of some events and the age of the participants that engage in the activities. As such, posters, banners and other promotional materials for events that require risk management will not be approved until the event has been approved through Risk Management. Failure to follow the Student Event Risk Management Procedures is an offence under section 20 of the Student Code of Conduct (see appendix 1).

The Student Event Risk Management forms have been built into the ExperienceBU event submission form. Simply submit your event on ExperienceBU and the site will take you through the appropriate forms.

Non-permissible Advertisements

The following advertising will not be approved and is not permitted anywhere on-campus:

1. Materials that are in violation with any University policy (see appendix 1)
 - This includes but is not limited to the Alcohol policy which prohibits the advertisement of the following activities: drinking games, free drink offers, keg parties, price specials on alcoholic drinks, the sale of tickets that provide access to an unspecified number of alcoholic beverages, self-serve or unlimited bars, and underage consumption of alcohol.

5. Materials advertising **off-campus employment opportunities**
 - Individuals wishing to advertise off-campus employment opportunities can visit brocku.ca/ccee/hirebrocku for more information.

Brock University on-campus student, staff and faculty positions are allowed and must abide by all regular posting regulations.

Posters

A poster is defined as a piece of ledger sized paper (11" x 17") or smaller, used for the purpose of advertising.

A maximum of thirty (30) posters for any service, initiative, activity, or event can be posted on campus. A maximum of one (1) poster is permitted in each bulletin board area (see [Campus Bulletin Boards](#) section below).

Posters are allowed on approved boards and may not be adhered to any other surface on campus.

Posters will be authorized for a maximum period based on the number of posters, according to the chart below:

Number of Posters	1-5	6-10	11-20	21-30
Number of Days Posted	56	28	14	7

Regardless of the number, posters will expire one (1) day after the event occurs (if applicable).

Once the original approval period has expired, the individual advertiser(s) may renew for another posting period. The renewal is subject to all the same regulations as the original posting period.

Poster Locations

Posters are permitted on bulletin boards only and may not be adhered to other surfaces on campus.

All materials on campus boards and the clubs board must display the Brock University Campus Promotions Approval stamp, signifying that it has been approved for campus promotions. Materials posted on departmental boards ([see below](#)) must have the approval of the related department.

No advertisement is permitted to obstruct the plain view of any other advertisement or obstruct the view of any other University signage.

Campus buildings will be inspected on a regular basis. Postings that have expired, have not been approved, have been hung incorrectly, or have been placed in a location other than an approved bulletin board will be removed and discarded.

Bulletin boards will be completely cleared at the end of every term except for posters that have received specific approval to remain posted during the period between semesters. The end of term board clearing will occur the day after the last exam is scheduled.

Campus Bulletin Boards

There are 26 areas with campus bulletin boards located across campus. Campus boards are identified by a white Brock University Campus Promotions sign in the top right-hand corner of the board. For a list and photos of the campus bulletin boards, please visit brocku.ca/student-life-success/main/campus-promotions

Club Bulletin Board

The Club Bulletin Board is located down the hall from the Student Involvement Commons (MCA 204). This board is exclusive to student organizations.

Postings on the board must have an identifiable club function and all regular posting procedures and restrictions apply to Club board postings.

Departmental Bulletin Boards

Any boards not displaying the red Brock University Campus Promotions sign are Departmental Bulletin Boards.

Advertiser(s) may not post on any department board without the approval of the academic or administrative unit that owns that board. Departmental bulletin boards are the responsibility of the respective department and will be monitored by each department.

There are 14 permanently mounted 11x17 poster frames to feature upcoming events, activities, and initiatives, as well as three pedestal signs to display information and directional signage, on the main floor of the GLN-B building. These are available to be reserved by any department on campus by completing the form [here](#) a minimum of 2 weeks out from your event or program.

Hanging Posters

Posters must be attached to the bulletin board using push-pins/thumbtacks. Staples are prohibited on all campus boards. Extra push pins are available in the Student Success Centre MC A204.

Banners

Banners are only permitted in the Thistle Corridor and can only be placed in the vertical banner boxes along the main corridor. Banners will not be hung on the walls or ceilings of Thistle, or in any other location on-campus.

The banner boxes in Thistle are 23” wide by 82” long.

Only one banner per event, department or service can be submitted for approval and may be posted at a time.

Banners can be posted for a maximum of 28 days. Banners may be re-submitted after the 28 days has expired; however, due to the limited space available, priority will be given to new banners.

You can email studentlife@brocku.ca if you would like to ensure a spot is available for your banner prior to printing your banner.

Banners must be approved in accordance with the Procedure for Approval ([outlined above](#)) and will be hung by Student Life and Success. Once expired, the banner will be removed and returned to the Student Success Centre in TH 129.

Once removed, banners will be held for up to one week before being recycled.

Non-Brock entities, organizations or agencies may not distribute flyers/handbills on-campus.

Distribution of such materials must be done in a courteous manner and cannot be disruptive to the Brock community or the orderly processes of the University. Materials may not be forced upon any individual or inhibit freedom of movement.

The substance used for chalking must be water-soluble and easily washable by water or rain.

Temporary Directional Signs

Groups that require temporary directional posters for an event may post their signs themselves provided they remain affixed and that they are removed by the sponsoring organization within 24 hours of the conclusion of the event.

Directional signs may only be posted on **non-painted surfaces** and only using approved adhesives - such as sticky tack or adhesive tabs. Use of tape of any type is prohibited.

Prohibited Areas for Posting:
