Report to Senate T&LPC of the Vice Provost,

Teaching and Learning

March 2026

Future of Assessment

Since fall 2025, CPI has been engaging in discussions across departments about the impacts of Generative AI on assessment practices. The following areas invited CPI to facilitate these conversations:

- Masters of Public Health (November)
- Environmental Sustainability (December)
- Psychology (December)
- Child & Youth Studies (January)
- Faculty of Social Sciences (two sessions in February)
- Finance, Operations, and Info Systems (upcoming in March)
- Geography and Tourism (upcoming in March)

For the April 10 T&LPC meeting, we hope to bring a summary of themes from these sessions with some potential recommendations for consideration.

Open Education

In partnership with the Library, Open Education Week was celebrated across campus through a series of events and workshops and through a Brock News article.

The OER Adoption and Adaptation Grant program continues to provide grants for instructors who wish to displace the cost of commercial textbooks with the ongoing adoption of OER for a given course. **Next round of applications are due on May 31, 2026**

Communities of Practice

CPI continues to facilitate communities of practice focusing on inclusive pedagogy, generative AI & assessment, educational technology, and dossier development.
These CoPs provide space for instructors to come together to explore shared interests in teaching and learning. Monthly gatherings are designed to spark ideas and support instruction without added workload. Email to cpi@brocku.ca if you are interested in attending.
