

Statement of Intent  
Bachelor of Arts and Bachelor of Science in Artificial Intelligence

Posting Date: August 31, 2023

Brock's Departments of Digital Humanities and Computer Science have submitted a Statement of Intent that they wish to submit the Bachelor of Arts and Bachelor of Science in Artificial Intelligence programs for approval under the [Institutional Quality Assurance Processes](#) (IQAP).

As part of that process, the Statement is being made available for the information of the University community, to provide the opportunity for comment prior to moving to the next step in the institutional quality assurance process.

The Statement of Intent can be viewed [here](#). The posting will remain in place for 21 days- until 4:30 p.m. on September 21, 2023.

Comments on the above proposal must be submitted by September 21, 2023 by email to the Academic Review Committee, via the Vice-Chair [Brian Power](#) and Digital Humanities Department Chair [Aaron Mauro](#) and Computer Science Department Chair [Brian Ross](#). In submitting your response, please include the new programs title in the subject line.
