

# UNIVERSITY CAMP (MINI)

One-night field trip for grades 4 - 8

## BRIDGES TO SUCCESS

Great for celebrating the end of the year, building teamwork, and transitioning into a higher grade. Practice collaboration, problem solving, communication, and empathy. Have an unforgettable time challenging yourself on the adventure climbing course and experience University labs. Designed to inspire a desire to learn more, this trip is a great way to introduce students to the world of post-secondary life.

## BUFFET MEALS

Nutritious meals with a variety of choice are available during our buffet meals. Our dining hall is vigilant about food allergies and we are happy to accommodate vegan, nut, lactose, or gluten free meals.

## UNIVERSITY DORMS

Our residence buildings are nestled in the heart of campus. The traditional style dormitory rooms provide a safe and manageable space, ensuring that students are housed in one common area. Rooms have twin beds, WiFi, and a shared washroom.

## OPTIONAL FEATURES

- Swimming in an Olympic pool
- Visiting Niagara Falls
- Guided tour of the historic Niagara region
