

YOUTH UNIVERSITY – BROCK UNIVERSITY

Spring Programs Medical Dietary Requirements Form

PLEASE RETURN TO YOUTH UNIVERSITY BY APRIL 1

During Residential Spring Programs at Brock University, meals will be served in the Residence Dining Hall which may accommodate up to 500 students at a time. Participants who have sensitivities, or dislike certain food items, will always have a selection to choose from as we offer an all-you-can-eat, buffet-style meal plan.

For those participants with serious and life threatening allergies, Brock Dining Services utilizes an 'Allergy Action Plan' to identify needs, and assist participants in meeting their meal requirements. If students, teachers, or supervisors have special dietary health concerns it is important that you notify us through this form prior to your arrival so that we can make proper arrangements.

Should contact be required the best time to contact me is:

Time				Phone Number	
Name				Dates of visit to Brock University
